Activities & Interests

- Personal interests or hobbies that you exercise for your positive quality of life:
For my positive quality of life, it is essential to eat healthy, do exercise, and do yoga or meditate. For this reason, I always choose to cook my own meals, go for a 30 minutes walk, and stretch out in the morning or at night. I enjoy working and studying with relaxing music or a special frequency to boost my concentration. Regarding my hobbies, I love spending time in nature, for example, hiking, watching sunsets, camping, or cooking; I also like dancing and singing because I feel are my ways of expression.
- Areas that you would like to incorporate into your teaching or possibly coach:
Mindfulness, and music, collaboration in community projects.
